POSTPONED TOWN MEETING

March 17, 1969

The March, 1969 Town Meeting reconvened at the Swasey School on March 17th, 1969. The meeting was called to order at 8:10 p.m. by Moderator William Vahey with the reading of the Article remaining to be acted upon.

ARTICLE 8: Defeated by a ballot vote. No — 71. Yes — 11.

ARTICLE 9: A motion was made by Irving Cross and duly seconded that the Town adopt Chapter 105 of the New Hampshire Laws of 1967 relative to the disposal of records. Passed by voice vote.

ARTICLE 10: A motion was made by Irving Cross and duly seconded that the Selectmen be allowed to sell land and buildings to Quinton Collins, which had previously been taken by Quit-Claim deed. Passed by voice vote.

ARTICLE 11: A motion was made by Ronald Melton and duly seconded that the Town adopt New Hampshire R.S. A. Chapter 154, Sections 1 through 17 and 24 through 29 inclusive relative to the Fire Department. Passed by voice vote.

ARTICLE 12: A motion was made and duly seconded to table this article until 1970. Passed by voice vote.

ARTICLE 15: A motion was made by Gilbert Tuck and duly seconded that Article 4 be reconsidered. Passed by voice vote.

ARTICLE 4: The following substitute motion was offered by Russell Mason and duly seconded, "To see if the Town will authorize the Selectmen to borrow for a period of three years \$30,000.00, less the money now in the Capital Reserve Fund, for the purpose of purchasing on behalf of the Fire Department a fire truck fully equipped and approved by the New Hampshire Board of Underwriters." A motion was then made and duly seconded to vote by ballot, using the check-list. Passed. Article 4 was passed with the following count — Yes, 59 — No, 21 — with the two-thirds majority needed to pass.

ARTICLE 15: It was unofficially voted that the Selectmen look into the use of the Fire House for future Town Meetings. It was also unofficially voted that, if possible, an article be placed on the 1970 Town Meeting Warrant to have elections held on a separate day than the business part of the Annual Town Meeting.

A motion was made and duly seconded that the meeting adjourn at 9:30 p.m.

REPORT OF THE CHIEF OF POLICE

Honorable Board of Selectmen, Citizens of Brentwood:

It is my pleasure to submit my report for the year 1969.

This past year due to the loss of one of our most valuable police officers, Edward Ahearn, along with the increase in calls, we have added two new men to the department. They are Gilbert Tuck and James Norton, both graduates of the Police Training Academy, sponsored by the Sheriff's Department.

Hoping to cut down the large amount of accidents, of which three this year were fatal, the department was instrumental in obtaining double flashing lights at the intersection of Rtes. 125 and 111A.

After supporting the Little League, the department ran another supper, of which the proceeds were used to buy complete rain gear for every police officer at no cost to the town.

A total of 344 calls with 1,164 man hours were made this year. A breakdown of the calls is as follows:

Motor Vehicle	62
Accidents	36
Juvenile	16
Vandalism	7
Dog Complaints	51
Miscellaneous	82
Larceny	7
Domestic	15
Arrests	13
Convictions	15
Skimobile complaints	4
Disposal of dogs	5
Fires	7
Breaking and Entering	12
False alarm	1
Breaking & Entering (cars)	5
Stolen car	1
Horse, cattle comp.	4
Recover stolen car	2
Assist other depts.	1
Children bitten, dogs	2
School bus complaint	5
Suicide	1

Honorable Selectmen, Citizens of Brentwood:

A report for the year 1969 of the Brentwood Civil Defense.

The rescue wagon was used by local residents forty-one times this past year. I would like to thank again the interested citizens who have made donations to help defray the cost of running and supplying the wagon with necessary items.

The telephone number for the rescue wagon is your Fire Department number 642-5452.

SUPERINTENDENT'S REPORT

To the Citizens of Brentwood:

The Brentwood school system is once again enjoying a successful year. Congratulations are in order to Mr. Goyette, the teachers, and the school board, but most of all to the citizens of Brentwood who are furnishing the necessary funds and facilities to do the job required, and that is, to provide a good basic up-to-date educational program for all Brentwood youth in grades 1-6.

A major change was initiated in Supervisory Union No. 14 last September regarding first grade enrollment. This change affects those children whose birthdays fall between September 30th and December 31st as explained by Assistant Superintendent of Schools, Frank S. Games in the following:

"The pre-school testing program initiated to screen the potential readiness of the pupils for grade one has proven valuable to all of our school districts. The principals and the first grade teachers were given the authority to accept or reject pupils based on the readiness test. Next year it is recommended that all potential first grade pupils be tested in May and if the results indicate the pupil is a borderline case, another test will be administered in August."

Mr. Games further states that "Summer schools in remedial reading and basic math are scheduled for Epping, Brentwood, and Fremont. Because of the limited funds, Brentwood and Fremont will hold a joint program to be conducted at the Ellis School in Fremont."

Because of its concern for future needs, the school board has established an "Educational Needs" Committee with Mrs. Carolyn Cummings as Chairman. This group has been asked to make an in-depth study of Brentwood's future educational needs, especially as they pertain to facilities for grades 1-6 and to report its findings, including recommendations, to the board and the community.

REPORT OF SCHOOL NURSE

To the Superintendent of Schools and the School Board of Brentwood:

I respectfully submit the following report of the School Health Program at Swasey Central School for the School Year 1968-1969.

Routine procedures carried throughout the year included the following:

All pupils in all grades were weighed and measured. Inspection of teeth, hair, posture and general cleanliness were done on all pupils. There were 197 visual tests and retests with 6 referrals. There were 178 hearing tests and retests with one referral. Health records for all pupils were again reviewed and updated.

Dr. George Storm, school physician, conducted physical exams in April on twenty Fourth Grade pupils. Any defects found were referred. Urine tests for glucose and protein were done as part of the physical examination.

Tuberculin tests were administered in October to 42 First Graders and new admissions plus 4 to the adult school personnel.

Emergency care of the sick and the injured involves a great deal of time. The total number of first aid procedures administered during my 47 days at school was 177. Home contacts during the year numbered 76; professional contacts 77; and teacher contacts 138.

The Speech Clinic under the direction of the Portsmouth Rehabilitation Center was held one-half day per week beginning in November. Forty pupils were evaluated for speech problems and of these 21 pupils are receiving therapy.

The Dental Clinic held with Dr. Thomas Pollock's office in Exeter was begun again in early December. Five First Grade pupils were seen prior to the end of the year with at least another five anticipated to be included before the program ends. Mrs. Jane Burton, a dental hygienist from the New Hampshire Bureau of Dental Public Health, visited each classroom, showing filmstrips and discussing personal dental hygiene.

Immunization Clinics sponsored by the New Hampshire Department of Public Health were held in April, May and June with 299 pupils and children receiving immunizations.

A Pre-school Clinic held in June was visited by 26 pre-school children with their parents. All children were weighed, measured, had an eye examination and were seen by a dental hygienist and Dr. Storm, the school physician.

Health education is an integral part of the school program. The school nurse is available as a resource person to assist the teachers in use of health materials, to assist in planning and organization of health education classes and to aid in the curriculum development of health classes, as well as teaching some units.

Beginning this fall Health classes are held at least once a week at each class level. Work books were developed to be used as a teaching tool. Some subjects covered in these classes are safety, personal hygiene, nutrition, dental health, human growth, good grooming and family living.

A First Aid Class was initiated for all Grade 6 students. Two classes a week are held. This is a basic course that covers all first aid procedures. A first aid film was shown to Grades 5 and 6 plus all the teaching personnel.

Over five hundred miles were traveled on school health business and participation in various educational courses have been included to help serve the health and educational needs of the school children better.

I wish to thank everyone for their kind assistance and cooperation in our strivings to continue and improve the school Health Program.

Respectfully submitted,

HOPE SHELLEY, R.N.

School Nurse

SYNOPSIS OF NEW HAMPSHIRE FOREST FIRE

LAWS AND REGULATIONS

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This means household waste burning, even if in a barrel, grass burning, garden trash as well as brush burning in clearing operations. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

EXCEPTIONS

FIRE PERMIT

Commercial or industrial burning is allowed during the day with permission of the district chief and a permit from the fire warden.

Household waste burning, with a permit, is allowed on rainy days between 9:00 a.m. and 5:00 p.m.

Camp for cooking fires are allowed on your own property on notification to the warden. On another's property with written permission and notification of the warden. The warden can forbid such fires if intended in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the ranger stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

ESCAPED FIRES

If a fire escapes from your control, whether or not you have a permit, you are liable for the costs for control and extinguishment. If you start a fire illegally there is the additional chance of a fine. The landowner may also recover his loss or damages from the fire.

It is unlawful to drop or throw burning material in wooded areas.

Anyone seeing an uncontrolled and unattended forest fire is bound by statute to report it.

PENALTIES

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland maximum fine of \$25.00.
5. For smoking or kindling a fire in woodlands when a ban on the same has been proclaimed a maximum fine of \$25.00.

RALPH STEVENS

District Chief

PRECAUTIONS

Always clean a space about any open fire to prevent its spread.

Never burn in dry, windy weather.

Burn preferably late in the day and check your fires the next day.

In times of high fire danger, all permits will be cancelled.
